AIPS Conflicts of Interest

Whenever an employee or member has a financial or personal interest in any matter coming before the board of directors, the affected person shall a) fully disclose the nature of the interest and b) withdraw from discussion, lobbying, and voting on the matter. Any transaction or vote involving a potential conflict of interest shall be approved only when a majority of disinterested directors determine that it is in the best interest AIPS to do so. The minutes of meetings at which such votes are taken shall record such disclosure, abstention and rationale for approval.
